

Support family medicine by donating to FMEC's medical student scholarship program.

Donate now to bring students to the FMEC 2025 Annual Meeting, September 18-20, Cleveland, OH.

Each scholarship covers:

- Student's registration
- All conference meals and breaks
- Two nights of hotel lodging in the conference hotel

Donations of any amount are welcome!

The FMEC is a non-profit organization (FEIN 31-1436038), and donations to the FMEC are tax-deductible to the fullest extent allowed by law.

7,900+ medical students have received scholarships to attend the FMEC Annual Meeting since 1992.

- Hotel reservations are managed for each student through our special student room block secured for the conference.
- Students are encouraged to attend the student track at the conference and engage in a family medicine experience!
- Students receive invitations to pre-meeting events that connect students with residency programs and leaders in family medicine.

Students have the opportunity to present sessions, including posters, which are judged and receive awards.

Students receive one-on-one support from the FMEC Student Coordinator through direct messaging and guidance on meeting preparation and navigation.

"This conference was such a great experience for me and my professional growth – I was able to present research, attend the residency fair, and learn from many talented and knowledgeable physicians in the Northeast region. Attending the FMEC annual meeting solidified my desire to practice family medicine. Thank you again for such a wonderful opportunity!"

- 4th year scholarship student
