Note that the following topics were denied credit because eligibility was not evident within the learning objectives as required by the non-clinical eligibility requirements, or content did not meet non-clinical requirements, or content focused solely on the physician's personal benefit. Learners should understand that these topics do not carry AAFP credit.

AMA/AAFP Equivalency

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to *AMA PRA Category 1 credit(s)*™ toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1. For all AAFP credit equivalencies and recognition, please see the AAFP Credit System website at <https://www.aafp.org/cme/credit-system/credit-statements/agreements.html>.
