FMEC Planning Coordinator Chairperson

Christine A. Alexander MD
The MetroHealth System
Cleveland, Ohio
Department Chair of Family Medicine
Family Medicine

Dr. Alexander has served as FMEC's Planning Coordinator Chairperson for six years. She started her service as a committee member in 2000. She is very familiar with the structure of the Annual Meeting and how to develop and place academic presentations into the meeting to create an academically strong and robust program that all faculty, residents and students can enjoy. Dr. Alexander brings out the best in first-time presenters and encourages their development and growth as authors and speakers.

Dr. Alexander joined the MetroHealth organization in 1997. She is also an Associate Professor, with Case Western Reserve University School of Medicine.

Dr. Alexander graduated from the Ohio State University College of Medicine & Public Health (Columbus) and completed her Internship at the Thomas Jefferson University Hospital in Pennsylvania. She then completed her Family Medicine Residency with the same Thomas Jefferson University Hospital. Dr. Alexander went on to complete her Family Medicine Fellowship training at the University of Pittsburgh Medical Center-St Margaret Hospital. She then joined the Family Medicine Department at Mercy Hospital in Pittsburgh, focusing on OB/Gyn services. Dr. Alexander is a Board-certified physician with the American Board of Family Medicine.
