

## **FMEC Planning Coordinator**

**Martha Seagrave RN, PA-C**  
Physician Assistant  
The University of Vermont  
Burlington, VT

Ms. Seagrave began her service on the Planning Committee as a reviewer in 2010 and agreed to serve as a Planning Committee Coordinator in 2021. Her insight and outreach to new authors has enabled them to enrich their presentations and strengthen the overall Annual Meeting. The FMEC sincerely appreciates Martha's contributions to the FMEC over many years.

Ms. Seagrave has also agreed to serve as an FMEC Board Member effective in 2022. We look forward to working with Martha in continuing FMEC's mission and adding value to it in the future.

Ms. Seagrave is a Physician Assistant in Student Health. She provides comprehensive health care to students and enjoys working with students to optimize their physical and mental health and self-confidence. Martha has Bachelor degrees in Health Education and Professional Nursing from the University of Vermont. Martha is an Associate Professor at the UVM Larner College of Medicine and is the Director of Medical Student Programs in Family Medicine and Director of Doctoring in Vermont.
