

2022 FMEC Annual Meeting – September 15 to September 18, 2022
Hyatt Regency Crystal City, Arlington, VA

Friday, September 16, 2022

Social Determinants of Health: The New Vital Sign

Objectives

At the close of this session, participants will be able to:

- Identify how social and environmental factors impact health
- Implement three strategies in their training program and/or community to engage in community-level policy strategies to improve access to education, employment, healthy food, etc.
- Implement new teaching on SDHs in residency training including creating new experiential activity for learners
